ATLANTA'S NEWEST DIGITAL DISPLAY

The number of daily motorists that pass by this high profile digital billboard is impressive. The board is viewed by a high volume of traffic on six lanes of I-85 before reaching the I-75/I-85 Connector and to southbound motorists traveling toward downtown Atlanta business district, Turner Field, Phillips Arena, The Georgia Dome, CNN The World of Coca-Cola, Georgia State, Georgia Tech, Underground Atlanta, and Hartsfield International Airport.
