

EAST SIDE OF THE I-75/I-85 CONNECTOR SOUTH OF I-20 AT UNIVERSITY AVE.

LAT: 33° 43' 25.55" N
LONG: 84° 23' 29.58" W

An Atlanta "landmark", The Water Tower is seen from both Interstate 75 and Interstate 85 traffic at the Connector. This spectacular board is seen by all traveling through Atlanta on the downtown connector. These main artery interstates offer easy access to motorists as they venture to downtown business districts and high volume area attractions such as, Turner Field, Phillips Arena, The Georgia Dome, CNN, The World of Coca-Cola, Georgia State, Georgia Tech, Underground Atlanta, and Hartsfield-Atlanta international Airport.
